

NEW MODEL PRESS RELEASE

2027 KAWASAKI MULE SX™ SIDE X SIDE KAWASAKI STRONG

The iconic Kawasaki MULE™ family of side x sides have a machine for whatever need you may have on the job site with the compact MULE SX™ lineup.

The 2-passenger MULE SX takes many of the same styling cues from its larger siblings in the MULE PRO line of side x sides. This compact workhorse easily fits in the bed of a full-size pickup truck for easy transport. MULE SX models are all powered by a single-cylinder, 401cc 4-stroke engine and are equipped with a steel cargo bed with a textured floor. This capable work companion also offers a 1,100-lb towing capacity. The MULE SX line is available in four configurations, starting with the standard MULE SX two-wheel-drive model up to the MULE 4x4 XC LE model. Select four-wheel drive models from the 2027 Kawasaki MULE SX line of side x side vehicles are available with digital fuel injection, making them even more user-friendly. The MULE SX 4x4 ST model includes the same capabilities of the rest of the MULE SX lineup and is powered by a 401cc 4-stroke carbureted engine.

To top it off, Kawasaki MULE side x sides are confidently backed by the Kawasaki 3-Year Limited Factory Warranty.

ABOUT KAWASAKI

Kawasaki started full-scale production of motorcycles over a half century ago. The first Kawasaki motorcycle engine was designed based on technical know-how garnered from the development and production of aircraft engines, and Kawasaki's entry into the motorcycle industry was driven by the company's constant effort to develop new technologies. Numerous new Kawasaki models introduced over the years have helped shape the market, and in the process have created enduring legends based on their unique engineering, power, design and riding pleasure. In the future, Kawasaki Motors, Ltd. is committed to maintaining and furthering these strengths which will surely give birth to new legends.

Kawasaki Motors Corp., U.S.A. markets and distributes Kawasaki motorcycles, ATVs, side x sides, and JET SKI® watercraft through a network of approximately 1,100 independent retailers, with close to an additional 7,700 retailers specializing in general purpose engines. Kawasaki and its affiliates employ nearly 3,100 people in the United States, with approximately 260 of them located at Kawasaki's Foothill Ranch, California headquarters.

Kawasaki's tagline, "Let the Good Times Roll.®", is recognized worldwide. The Kawasaki brand is synonymous with powerful, stylish and category-leading vehicles. Information about Kawasaki's complete line of powersports products and Kawasaki affiliates can be found on the Internet at www.kawasaki.com.
